Mr. Abe Manley,
101 Montgomery St.,
Newark, N.J.

Dear Mr. Manley:

I definitely have Parkway Field for the remainder of the season, with the exception of Saturdays and Sundays. We have had a banner year in colored baseball here this season, and the crowds we have had have more than doubled the attendance of last year.

If you would be interested in booking your team or any two good teams in here any time in August or September, let me hear from you immediately.

Yours in Sports,

By *Toad Franklin*
